Sir,

Subject Revision of the pay of Sri M Sadasiviah, Cashier the Municipality

Adverting to G O No L 10307-8/11 105-48-91 dated 16-3-1949 sanctioning the allocation of the several officials of the Municipality, I write to state that one Sri M.Sadasiviah, Cashier of the Municipality represented that he was promoted to the grade of Rs 40-2-50 from 6-12-1948 and was made s p t in the grade from 7-12-1943 and confirmed finally with effect from 1-6-1947 He represented that having started as a clerk in grade Rs 20-1-25 on 14-9-1935 he had put in a service of 17 years and being promoted to the old I grade pay of Rs.40-2-50 prior to 1-10-1945 he was entitled to be allocated to the I Division in the revised grade as per para 1 of G.O.No R 44-51-83/LR 446-47-8 dated 24-11-1948 read with G O No R 9916-21/LR446-47-15 dated 10-5-1949 According to the said G O of 24-11-1948 all officials both graduates and non-graduates who have been regularly appointed in or promoted to class I before or after 1-10-1945 in accordance with rules and G O No.R 4567-609/RS 40-45-3 dated 11-2-1946 may be allocated to the First Division on the basis of seniority subject to the prescribed proportion, surplus officials if any, after allocation in the 1st division being treated as supernumerary irrespective of qualifications for the II Division and absorbed in the 1st division as per clause E of G.O dated 22-7-1947 The G O of 10-5-1949 referred to above applies to the appointments in the Revenue Department As the officials of the Revenue

Department and those in the Municipalities are interchangeable, the scope of the Government Order has to be extended to the officials of the Municipality. The Managing Committee and the Council before whom the prayer of the official came up for their consideration at their meetings held on 19th July 1951 and 6th August 1951 respectively were of opinion that the case of the official deserved sympathetic consideration in view of his long service and good work and that he was equally entitled to the benefits, which the officials in the same grade have been given in the Revenue Department. As there is only one I Division appointment in the municipality, they have approved of the proposal to allocate him as a supernumerary II Division clerk, allowing him the pay of 1st Division as personal to him, with effect from 1-1-1947 as in the case of other officials

In enclosing copies of the resolutions of the Managing Committee and the Council and also the allocation statement in respect of the revision of pay of the official in question, I request you kindly to obtain orders of Government sanctioning the proposal. The extra cost involved will be met out of the provision made in the budget estimates of the municipality for the current year under A2 - General Administration

Yours faithfully,

Correspondence ending with letter No M4 C 391—47 48 dated the 22nd April 1948 from the President Mysore City Municipal Council submitting for sanction proposals for the revision of the scales of pay of the several non gazetted employees of the City Municipality

ORDER No L 1810 1—ML 105 48 10 DATED BANGALORE THE 24TH AUGUST 1948

The action taken by the Municipal authorities in having permitted the drawal of the basic pay of the revised scales by the employees is approved with the observation that at a time when the financial position of the Mysore City Municipality was far from satisfactory it was not correct to have done so in anticipation of sanction of Government

2 Sanction is accorded to the revised scales of pay as indicated in the proposition statement appended with effect from 1st January 1947 subject to the modification that the scales of pay of the following appointments will be fixed as shown against them —

The Octroi Superintendent	Rs 120—10—200
The Chief Store Keeper	Rs 60—5—90—6—150 *plus* 15 C.A

3 This sanction is also subject to the condition that the Municipal Council is prepared to shoulder the entire burden of additional expenditure caused by the revision both at present and in future without expectation of any grant from Government to meet even a portion of the extra cost on this account The need to take necessary steps to improve the finances of the Municipality by recourse to new sources of revenue so that they could meet the additional expenditure is imperative Should any occasion arise in future so as to make it not possible for this Municipality to bear this burden the question of retrenching the staff to the basic minimum level should also be seriously considered The allocation statement based on the revised scales of pay should be prepared strictly in accordance with the principles enunciated by the Government in several orders about weightage etc in respect of their employees and submitted for the orders of Government before the end of September 1948
